

Level 4 Homework

Week 8 Due: Monday 26th March

Week 9 Due: Friday 30th March

Numeracy	Choose one activity each week.			Complete Mathletics each week – aim to achieve two certificates.		
	If consonants are worth 9.2 points, vowels are worth 5.7 points, calculate the value of each of your spelling words. Extension: Pick five spelling words and calculate their total if consonants are now worth 32.89 and vowels are worth 14.25.	Access www.nrich.maths.org . Click on Stage 3&4 , and select the Route to Infinity problem. Read through the problem, record your calculations in your homework book and be prepared to share your solution with the class.		Have a look at a supermarket receipt. Select 5 items and show how you could work out the total cost of 4 x the item, 7 x the item and 9.25 x the item.		
Literacy Integrated ICT	Choose one activity each week.					
	Write a TV commercial using all or as many of your spelling words as possible. Carefully consider the product or service you wish to advertise. Be prepared to present your commercial to the class.	Make a poster advertising Harmony Day on www.glogster.com . Include information and images outlining what Harmony Day is, why it is celebrated and why you think it is important.		Trace around your foot. Within the outline, write and present some of the different sustainable practices you want to be remembered for in 100 years time. E.g. short showers, composted food scraps. You might like to think about the job you want to have when you're older, whether you recycle, the transport you use most often etc.		
Spelling	Choose one activity to complete each week.					
	Using your THRASS chart, choose 5 of your spelling words to explode, branching out the different phonemes with its matching noun.	Use Morse Code to write your spelling words. Check out http://www.scoutscan.com/cubs/morsecode.html
